

Pallets, pallets, pallets. It's surprising how nice weathered pallet wood can look when you plane down the surfaces and square up the edges. This is a combination of white pine, red pine, oak, poplar, and hickory. You just never know what you'll find in an old pallet. The combination of colors and textures can bring an exciting variation to everyday meals.

About 71 inches long, 26 inches deep, and 30 inches high.
