

## VITA NOVA SALVAGE

“We bring new life to vintage finds!”

I find all kinds of wood and table parts all over the country. These iron pedestal bases came out of a fast food restaurant in Greer, South Carolina. The wood is repurposed from a local construction site in Port Orchard, Washington. Together, they make a nice table which seats 6 comfortably. The lightly stained wood really shines when protected with polyurethane finish. Looks great with any décor.

30 inches high, 60 inches wide and 29 inches deep.
